

THRIVE NEXUS: CONNECTING SYSTEMS FOR EXCEPTIONAL EDUCATION

A Cross-District Professional Learning Community
for Special Education Administrators

TRANSFORM YOUR SPECIAL EDUCATION LEADERSHIP

The Ability Challenge presents an exclusive 8-month Professional Learning Community designed specifically for district-level special education administrators seeking to build sustainable, high-quality programs through systematic improvement.

WHY JOIN?

Special education administrators have unique needs:

- Build skills to track compliance and quality service delivery across settings
- Invest in school-based staff through systems and knowledge building
- Learn from other special education leaders
- Create sustainable systems that outlast turnover

Our research shows that establishing clear processes for essential functions dramatically improves program effectiveness and student outcomes.

➡ What You Gain

- ✓ **Practical Systems:** Develop repeatable processes for managing essential special education functions
- ✓ **Quality Assurance:** Create frameworks to monitor implementation and document quality
- ✓ **Sustainability:** Build capacity to lead ongoing improvement that outlasts leadership transitions
- ✓ **Professional Network:** Establish connections with peers for ongoing collaboration and support
